Size, placement, name of these advertisings must be published in the supplementary regulations or other way, which is described in the supplementary regulations till the road book issuing. In the other case competitor may refuse these advertisings without any fines.

If a competitor declines this advertising he is compulsory to pay increased entry fee. If it is found at any time during the rally that advertising is missing from the rally car a cash penalty in an amount of the entry fee will be imposed.

Any absurdly affixed advertisement or mutilated advertisement or trimmed away means the

advertisement was rejected. The Organizer optional advertising must be worn on the competing car as well.

If the Supplementary regulations, Official Information, Bulletins decree about is, than the entered car's first windshield stripe surface considered advertising place for the Hungarian Rally Committee.

Any advertising (even MNASZ or organizer), which is part of the rally plate, competing number and the first windshield stripe is not consider as advertisement. FIA and MNASZ prescriptions are valid for any advertisements which are placed on the competing car windows.

## 7. TYRES

During rally: CEZ, ORB, MSR participants according FIA 2012 or 2014 prescriptions. Historic participants according RVSZ rules Art. 6.8.

During reconnaissance – according Hungarian traffic laws.

## 8. FUEL

Fuel E85 (standard MSZ CWA 15293) – except of FIA fuel - is also accepted in some classes of the Hungarian Rally Championship. This fuel is commercially available but it has not be mixed with gasoline and other additives.

E85 is forbidden to use in CEZ, MSR and Historic.

## 9. RECONNAISSANCE

### 9.1 Procedure for registration

Before reconnaissance crews must fill in registration form (Appendix 10 of these Supplementary regulations) and submit it the latest at the date of the road book issuing. Every crew will receive an identification sticker from organiser, which must be affixed in right upper part of the windscreen during reconnaissance at all times.

Missing sticker will mean failure of the reconnaissance prescriptions. In the case, that sticker is damaged or in the case of the changing of the recce car, the crew need to ask for new sticker.

Competitors will get also identification card and they must submit 1-1 pc of photos. This card must be in the recce car during whole reconnaissance. The crew must show this card everytime on the marshals demand.

**Competitors must carry license during reconnaissance and show it to the Marshals (if they ask for it).**

### 9.2 Specific / national prescriptions – speed limits on SS

We emphasise to the entered competitors, that reconnaissance is not practice. All road traffic laws of the Hungary must be strictly adhered to and the safety and rights of other road users must be respected.

Speeding during reconnaissance and during rally will incur a penalty applied by the Clerk of the Course according RVSZ rules, described also in Appendix 8 of these Supplementary regulations:

Penalties for speeding:	up to 25%:	1.000 HUF HUF/km/hrs
	25% - 30%-ig	10 s
	30% - 35%-ig	20 s
	35% - 40%-ig	30 s
	40% - 50%-ig	40 s
	50% - 60/-%-ig	60 s
	60% - 70/-%-ig	90 s
	over 70%	start refusal / exclusion

The amount of this fine will be unaltered by any fine imposed by the Police.

Other infringements or excessive speeding during reconnaissance may be referred to the stewards.

Series vehicles are possible for using during reconnaissance. Using of competing car for reconnaissance is forbidden.

#### Prescriptions for the recce vehicles

- the exhaust shall be a series production exhaust with a maximum noise level within the permitted Hungarian noise level
- the safety rollbar is permitted in accordance with Art. 253.8.1 – 8.4 Appendix J of ISC
- 2 additional road-homologated headlamps are authorised
- the crew may use a "light" intercommunication system (without helmets)

Organiser will check the speed during recce by using radar Stalker PRO III. Kustom Pro Life (No.: 200-2072-00).

### 9.3 Mounting of the speed control equipment

MNASZ regulations prescribe the use of speeding control equipment for reconnaissance cars.

These cars must be fitted with 12V socket (cigarette lighter connection).

#### 9.4 Speed control equipment usage (GPS):

Receiving the GPS will be when is the takeover of the Itinerary, together with GPS the crew will receive a suction mount holder necessary for fixing it, a cigarette lighter power cable necessary for operating it and 2 pcs of tube clamp.

Device attached to the suction mount holder should be placed to the lower or upper right corner of the front windscreen, so that marshals monitoring reconnaissance could read easily the number of the device.

While car is in motion constant power supply must be ensured for the device (constantly be kept on) during reconnaissance (**According to the 2nd point of the Appendix of the Supplementary Regulation**), and the device cannot be taken out of the car. Ignoring the rules listed above will be classified as the violation of the rules.

In case during reconnaissance the GPS device does not record the sign, the error will be reported to the Steward, who may impose penalty after the inspection.

The device should be relocated to the race care at the end of the reconnaissance, using the tube clamp received together with the device, with the connection of the SOS cable to the „B“ column on the right side.

**Must be given back at the HQ, at the end of the race:**

- the device,
- 2 pcs. of the tube clamp,
- suction mount holder,
- cigarette lighter power cable.

**12.2 Allowed early check-in**

Early check-in is allowed to the TC P3, TC 5A (Leg 1) and 11E (Leg 2).

**12.3 Running of the Prologue**

**12.3.1 Prologue**

On March 28, Friday 16:00 Borsod Volán Sports Ground prologue will be held, which is an integral part of the race, but the time results of the this, does not count into the competitive assessment. The prologue map will be published at the itinerary.

The use of terrain and winter tires in the prologue field is prohibited and will be checked at the waiting start point of the prologue. The prologue reconnaissance is not provided. In case the same time results the higher competition number of the crew is the better.

The prologue special awards will be handed over at the prize giving ceremony. During performance of the prologue, in case of 10 000 HUF + VAT payments, other person may sit in the race car instead of the navigator. In this case, that person shall be insured separately at the administrative checks.

The prologue to start tuning in accordance with the instructions of the marshals, according to the posted starting order, basically start decreasing in number, National Historic Rally Championship and then (ORB + CEZ MSR) field is decreasing overall race number order. On the clay at the same time two competitive cars runs, driving in a counterclockwise direction.

From the waiting start point of the prologue, after opening the backboard, racing cars carried directly to the slag in such a way, that the first coming car stops at the start place position opposite of the main tribune, while the second coming car stops at the start place position before the main tribune.

Here at the IE P2 station marshals enter the current time on the qualifying sheet. Both cars get the start signal simultaneously and time is measured from the same time.

The prologue consists of three rounds. The competitors passing their own start place get information about the remaining laps which will be shown by the judges table. The Organizer maximizes the performance of the prologue time in 3 minutes. If the competitor cannot finish the prologue during this time, the judges immediately arrange about the removal from the slag for this car.

In cases where the racing car cannot move to prevent other cars from proceeding, the chief officer of the prologue may stop the race by red flag. In this case, the offending competitor gets new start time. The finish of the prologue is "flyingfinish". At the end of the final round the competitors will be hailed by checkered flag, when crossing the finish line the settled time will be measured. Competitors must drive to the IE P3 station – over the depot through the meanwhile opened fence. Between the IE P2 and IE P3 station runs the 10-minutes etap time. The Organizer does not punish the early arrival into the IE P3 station, regarding to any delay penalty is decided by the Supervisory Board. The running time will be written on information blackboard by the Marshalls. Then the sports car racing track must be deleted.

(The drawings of locations of the prologue stations are included in the itinerary.) The prologue starts, under pain of exclusion is required, competitors not reaching the finish line may penalized by the Stewards, which can range from exclusion.
