Article 12.4.2 SSS–Rabócsiring Friday, 8 November 2019, after Ceremonial Start TBC

After checking in the TC crews must follow the marshals' direction. Each car will get a paper, with „RIGHT” or „LEFT” text, which means the side that will be their starting position. Basically the lower starting number will start on the right, higher number on the left, but the organiser keeps the right to change it.

After entering the track drivers have to go to the starting line, according to the information on this line:

In the first lap at the line changing point (after the jump) crews started on the left have to turn left onto the gravel, crews started from the right have to turn right, staying on tarmac. In the second lap inversely.

After the finish crews have to leave the track according to the map above.

It is forbidden to make doughnuts after finishing the stage.

On SS1 SSS Rabócsiring crews must follow the map above. Crews completing the stage wrong (choosing wrong line at changing point, cutting track, making less circles, and else) will be penalised with the worst time in their category + 5 minutes.

12.4.3 Circular Super Special Stage in Nyíregyháza

On SS11 SSS Nyíregyháza crews must follow the roadbook. Crews completing the stage wrong (missing doughnut, cutting track, making less circles, and else) will be penalised with the worst time in their category + 5 minutes.

Article 12.5.1 Location and organization of service parks

In order to preserve the cleanliness of the Service Park, the organiser has the right to check the competitors' service area through the Service Park marshals. When the competitor leaves his service area after the race weekend, he and his team must clean their service area from all the garbage.

In order to ensure this, during the administrative check every driver must pay 100 EUR deposit. The deposit will be given back in case the driver's team left their service area clean, and the marshal who check the area gives the team a receipt, which proves that the area is clean and the environment is unharmed. This receipt shall be presented at the Rally Office during the opening hours of the office in order to receive the deposit back. After the closing of the Rally Office at the end of the weekend, the deposit is not refundable. In case of a common service with 2 or more drivers on the same service area, each driver gets their own receipt.
