<i>25th July 2009</i>	<i>09.00-14.00</i>
<i>26th July 2009</i>	<i>09.00-14.00</i>
<i>29th July 2009</i>	<i>10.00-12.50</i>
<i>30th July 2009</i>	<i>10.00-12.50</i>

From Kővágószőlős junction towards Nyárásvölgy

<i>25th July 2009</i>	<i>14.20-18.30</i>
<i>26th July 2009</i>	<i>14.20-18.30</i>
<i>29th July 2009</i>	<i>13.10-16.00</i>
<i>30th July 2009</i>	<i>13.10-16.00</i>

The 'Alsómocsolád-Mecsekpölskei junction' special stage's forestry section can be recce'd by the following schedule:

- <i>25th July 2009</i>	<i>09.00-18.30</i>
- <i>26th July 2009</i>	<i>09.00-18.30</i>
- <i>29th July 2009</i>	<i>10.00-16.00</i>
- <i>30th July 2009</i>	<i>10.00-16.00</i>

- The Prologue can be only recce'd by foot as per the map issued at the Administrative check.

8.3. Special / National regulations

8.3.1. Prescriptions for the recce cars:

- Series production vehicles
- Series production exhaust must be used, not exceeding the maximum noise level permitted by the Hungarian Law.
- Safety roll cage is permitted in accordance with FIA's International Sporting Code (Art 253.8.1-8.4)
- Two additional road-homologated headlamps are allowed
- Light intercom system is allowed without helmets

8.3.2. Restriction on the direction of travel and number of allowed passages

Passage through the SS is permitted only in the direction described in the Road book. Every infringement will be penalised by the organiser.

8.3.3. Some special stages are private and forestry roads. Apart from the permitted recce these roads can not be used for any reason, starting from the publication of this document until the start of the rally. This prescription will be closely monitored by the road owners, the police and the organiser. The penalty for violating the above rule is start refusal.

Throughout the recce the crews must follow the Hungarian traffic rules and also every restrictions on the private roads. SS routes during the recce are not closed for traffic and it is important to keep in mind, that roads will be used also by other participants – cyclists, buses, forestry and agricultural machines. The recce schedule has to be followed.

Every violation of the recce rules will be penalised. Penalties are ranging from cash penalty to the start refusal. The organiser will inform RSB (MNASZ) about penalisations. Maximum cash penalty is 250 000,- HUF. **Upon the information provided by the organiser Stewards can also decide about time penalty for the crew.**

If an accident or loss of property occurred on the rally route or serious violation of the traffic rules occurred during the reconnaissance, the organiser is forced to refuse the start without refund of the entry fee and inform MNASZ about it. RSB (MNASZ) can also monitor the performance of the recce rules and decide about penalties.

The passage on the public road sections of the SS outside the recce is not considered as a violation, unless it's a competition built car. Any traffic offences on these routes act as violation of the recce rules after this document has been published and will be penalised as outlined.

The RSB can independently monitor the recce rules and penalise any offences separately.

The organiser must stress, there is a fire ban in place at all SS stages to avoid any large scale fire.

8.4. Speed checks

The organiser will carry out speed checks during the recce with the following equipment: STALKER PROFESSIONAL SPORTS RADAR 34.7 GHz S.N.: SP78940 (FCC ID:IBQACMI001) and Kustom Pro-Lite (serial nr.: 200-2072-00).

Speed check will be carried out by sport referees (with a valid MNASZ ID card), members of the organising committee and MNASZ representatives.

Violation of the speed limits will be considered and penalised as violations against the recce rules (cash penalty, start refusal). The time penalties will be decided by the stewards.

The maximum speed on the SS routes (where no other speed limits are present) is 60km/h (=37mph)

Speeding fines:

up to 20%	5.000,- HUF
between 21-35%	40.000,- HUF
between 36-50%	80.000,- HUF
above 51%	start refusal

Day 2: 06.00-07.00, 02-08-2009

Service cars which entered the service park can leave at any time, however re-entry is forbidden except for Historic car's service vehicles. These vehicles can move freely.

Service cars may stay in the service park during the night. There will be a security patrol overnight, however the organiser can not take any responsibility for valuables left in the service park overnight.

Other regulations for the service park

Regulations for the service park is described in he FIA General Regulations. The service park is defined in the Road Book. In this area all kinds of repairs are allowed to be carried out. There are Time Controls at the entrance and exit for all rally cars. Apart from the rally cars only vehicles with 'service' identification are allowed in – 1nr per rally car (2nr for gold licence holders).

In the case a service car tries to enter the service park without service plate or with illegal service plate the relevant competitor will be penalised by the Stewards up to a maximum of 50 000,- HUF. In the case that service car enters the service park out of defined times the Stewards will penalise relevant competitor to pay a fine of 10 000,- HUF.

All team members must respect the rally regulations and marshals directions. The competitor is responsible for all team members during the rally.

The service vehicles are not official participants of the rally despite having a service plate. The event's insurance is not valid for them..

In the whole service park area

- Car washing is strictly forbidden due to environmental regulations

- At the service / repairing area each rally car must have a 3m*5m sheeting underneath the car which is petrol and oil retardant.

- Each team must have at least a 150 litre waste bin to discharge any waste into.

- A minimum of 5kg fire extinguisher must be placed at the visible and easily accessible area at the service location.

- Catering is allowed at the service location, however open fire is forbidden.

- There won't be a refuelling zone at the end of the service park, all competitors can refuel at their service area complying with the relevant safety regulations.

The compliance with these regulations will be monitored by judges, the violations will be penalised by the Stewards.

The organiser will establish refuelling zone during the race lengths. Refuelling at these zones is the competitor's sole responsibility!

The organiser will also establish tyre marking zone at the end of the service park.

The maximum allowed speed in the service area is 30km/h, in the refuelling zone max . 5km/h. Speeding will be penalised by the Stewards.

Additional crew „segítő” vehicles and Team Principals „csapatvezető” vehicles can not drive into the service park there will be a car park reserved for these vehicles immediately next to the service area.

Regulations for auxiliary “segítő” cars

„SEGÍTŐJÁRMŰ” can be purchased at the Administrative check or at the Rally HQ thereafter for 10.000,- HUF each.

Auxiliary „segítő” cars may enter the park area, which will be established next to the service park or to park areas near by SS at the road closing places.

Auxiliary „segítő” cars are not allowed to enter the service park. Any infringement of this prescription will be penalised by the Stewards with a fine of maximum of 300.000,- HUF.

Service parks, prescriptions for servicing:

Only relevant cars are eligible to enter the places reserved for the gold licence holders. It is forbidden for service cars and trailers to enter the places and roads in front of the Administrative checks and Scrutineering areas. Any infringement of this prescriptions will be penalised by fine of maximum of 100 000,- HUF.

All service activities are strictly forbidden between 31-07-2009 and 02-08-2009 on public areas. Observance of this rule will be monitored by the organiser in co-operation with Police and local authorities. Any infringement of this prescription will be penalised by the Stewards according Art. 152 and 153 FIA ISC.

Service cars (with „service“ plate) can, within the service park area, stay in places assigned for the relevant competition numbers.

The organiser will establish a refuelling zone on the road section of Day 1. Only 1 vehicle per rally car can enter the refuelling zone with a „tankoló zóna” plate. Vehicles with this plate can not enter the service park or car park reserved for the auxiliary „segítő” cars and team principal „csapatvezető” cars unless both plates are present on the vehicle.

Any kind of commercial activity at the refuelling zone is strictly forbidden! Vehicles carrying out commercial, promotional and any other activities can only be stationed in a previously agreed location with the organiser. The teams can carry out promotional activities on their service area free of charge. Commercial activities, entry of additional vehicles and larger service area can be agreed with the organiser upon a separate commercial agreement.

APPENDIX 3: COMPETITORS' RELATIONS OFFICER

Rádli József
+3630-944-2323

Principal duties:

Informing the participant competitors and ensuring smooth communication between the organiser and the participants. These duties require a person with a good knowledge of the regulations and hold an ASN licence. The CRO can take part of the Stewards meeting to allow him to be well informed.

To ensure the CRO is known to all participants:

- 1) During the race he needs to be easily recognisable.
- 2) He must be introduced at one of the competitor's briefing sessions,
- 3) His photograph should be publicised in the Supplementary Regulations or other official document.

His location during the race:

During the opening of the Rally HQ the Race Secretary will publicise a list of location on the official notice board:

- During the Administrative check and scrutineering
- At the Rally HQ
- At the start of the event
- Regrouping areas
- At the end of the sections in the Parc Fermé
- At the finish close to the Parc Fermé (subject to schedule)

Duties:

- Accurate answers to all questions
- Gathering all possible information regarding rules and regulations to avoid any confusion on the participant's behalf.
-

Duties towards to organiser:

To ensure all misunderstandings, small issues which can be solved by thorough explanation will not be passed onto the Stewards (e.g. questions regarding timekeeping, times etc), unless it is an official protest.

The CRO can not give out any information or can not behave in a way which would prompt protest on any participants' behalf.
