- GT Cup Series / FIA CEZ D4 & D5 / P9 Challenge / SCC
- Eurocup F3
- Endurance / FIA CEZ D4 & D5 / P9 Challenge / SCC
- FIA F4 CEZ
- Suzuki Swift Cup Europe

Thank you all for participating in the Rundstreckentrophy!

This document contains all important information about the Rundstreckentrophy 2025. Read this document very thoroughly so there won't be any surprises. And if you have any questions, please don't hesitate to ask!

Some wise words to begin with

The cars we drive have few inherent safety features. Accidents not only destroy originality but also put at risk the concessions under which we are allowed to race. Racecar drivers are therefore required to drive in a sportsmanlike and considerate fashion, in particular avoiding contact and not indulging in aggressive driving tactics.

It is strictly prohibited to make use of a drone without permission of the circuit media coordinator, because the Red Bull Ring is located in a military air raid shelter. Since 2023 unauthorized drones will be tracked and taken down by the military airport. This action will be charged by the local authorities.
